This Privacy Policy and Statement explains how Name of Co. ("TRU Global"), an entity registered as (Details of hk incorporation), uses your Personal Data as we provide you with access and utility through our digital asset-only trading platform. In the course of providing our Services, we collect and maintain personal information. As a rule, we never disclose any personal information about our customers to any non-affiliated third parties, except as described below.

【Data Collection Purpose and Use】

TRU Global collects, processes and stores Personal Data collected from you via your use of the Services or where you have given your consent. This Personal Data may include contact details, or any information relating to your device or internet service (such as an IP address and a MAC number). TRU Global uses Personal Data to communicate with you and to administer, deliver, improve and personalize the Service. TRU Global might also generate generic data out of any Personal Data we collect and use it for our own purposes. We may also use such data to communicate with you in relation to other products or services offered by TRU Global or its partners. We do not share your Personal Data with third parties (other than partners in connection with their services to TRU Global) except where you have given your consent and further detailed below.

We may share your Personal Data with third parties:

- (a) if we think that sharing it is necessary to enforce the Terms,
- (b) to enable us to comply with government agencies, including regulators, law enforcement and/or justice departments,
- (c) to third parties who provide services to TRU Global (such as administration or technical services),
- (d) if applicable, in connection with the sale or transfer of our business or any part thereof.

Additionally, we have implemented measures to prevent money laundering, terrorist financing and circumventing trade and economic sanctions, which requires us to undertake due diligence on our customers. This may include the use of third-party data and service providers which we will cross-reference with your personal information.

【Storage of Your Personal Data】

The data that we collect from you may be transferred to, and stored at, a destination outside of HK. It may also be processed by staff operating outside of Belize who work for us or for one of our suppliers. By submitting your personal data, you agree to this transfer, storing or processing. All information you provide to us is stored on our and/or third party cloud secure servers.
